SKATE AND DRESS SALE:

A used skate and dress sale will be held on Sunday, September 13, 2009 from 2pm to 4pm at the Beaconsfield Recreation Centre, upstairs lounge. Please return to pick-up your items before 4:30 on Sunday.

If you have skates or skating costumes for sale, bring them to the Club room clearly marked with your name, phone number and price between 4:00 and 7:00 PM on Wednesday, September 9th, 2009.

Purchasing skates

Good quality new skates can be purchased at all of the following locations (excluding Dave Pitman).

Sharpening:

A poor quality *figure skate* sharpening can permanently damage the blade by removing the blade's rocker or toe picks which seriously diminishes the resale value of the skate as well as making it harder on the skater to learn new skills. It is worth the trip to have a good sharpening done! Please do not take your skates to a general sports store to be sharpened.

Recommended places to purchase skates or have your skates sharpened are:

- Dave Pitman, (Dollard), 953-3584 (*call for an appointment*)
- L'Artiste du Patin, 7825 Taschereau Blvd. Brossard, (450) 678-5442
- Boutique H&L, 826 Décarie, Saint-Laurent, (514) 744-2016

- Boutique Patinage Plus Inc., 3760 boul. de la Concorde E, Laval, 450-661-6655

Star 1 Group

Star 1 Group is an advanced group figure skating program for skaters who have completed CanSkate Badge 6 or at the discretion of the head coach and/or session coach. It is designed as a complement to the StarSkate private lesson program. Each session consists of a 15 minute warm-up, followed by a 30-minute lesson with a professional coach. During these lessons, skaters work on stroking, field moves, conditioning, jumps and spins. The remaining 5 minutes are for supervised practice. Registration is limited to 25 skaters in order to maintain a ratio of approximately one professional coach to 4 skaters. The registration fee includes ice time and coaching.

Skaters in this program are strongly encouraged to complement the group lesson with private or semi-private lessons. *Skaters who have passed their preliminary freestyle test are not eligible for Junior Group.*

Star 2 Group

Star 2 Group is a group figure skating program for skaters who have passed at a minimum, the Preliminary freestyle test, or at the discretion of the head coach and/or session coach. It is designed as a complement to the StarSkate private lesson program. Each session consists of a 15 minute warm-up, followed by a 30-minute lesson with a professional coach. During these lessons, skaters work on stroking, field moves, conditioning, skills, jumps and spins. Registration is limited to 20 skaters in order to maintain a ratio of approximately one professional coach to 4 skaters. The registration fee includes ice time and coaching.
